

*Dear Parents and Campers,*

*The Governor has opened Florida summer camps without restrictions but we are going to follow ACA guidelines to protect everyone this summer at camp. Thank you for the many notes of prayer and encouragement.*

*The American Camping Association has asked us to screen each camper and staff member before camp begins. We will set up our Faith Pavilion as our screening station before registration in the dining hall. Temperatures will be taken, (must not exceed 100.4 ) questions will be asked if you have had contact with a person who has been diagnosed with COVID19, have you had a fever, cough, or shortness of breath. We will limit campers and increase our staff so that we can meet the daily standards. If you have a washable mask, bring it.*

*This summer may have many guidelines; but we believe it will be the best summer we have ever had not only because we have an amazing staff, but the Lord sends His best to Dovewood. He is getting ready to provide your daughter with incredible fun-filled days, friends to meet, horses to ride, hearts to love, adventures to enjoy as well as a place where you will be polished to be all He has created you to be. Even though we won't be able to invite parents to Competition Day & Awards, we still will have Competition Day and Awards for campers. Pick up for campers will be the last day of camp: Saturday morning from 10-12 .*

*God Bless,*

*Roberta Richmond Director Camp Dovewood*
